

Southampton Hospital Charity

SHC will be celebrating its 6th birthday
on Tuesday 11 March
and we want everyone to get involved and celebrate!

You can raise money for your charitable fund by holding cake sales
throughout the month of March.

What do we need to do?

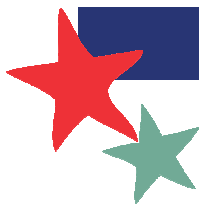

- Think about when and where you would like to hold your cake sale.
- Get friends and family involved and get baking. Many hands make light work and it definitely increases the fun factor.
- Let people know what you are doing. Download our poster template from our website and distribute them. Also, let us know and we will post your creations on our Facebook and Twitter pages.
- Why not get some rivalry going? Challenge your neighbouring ward to a competition!
- Top tip – don't price your cakes, ask for a donation as often people will donate a larger amount.
- Remember every cake sale counts whether large or small. Every penny that's raised will go to enhancing the services and facilities on YOUR ward.

Finally...

Enter our Facebook competition for the best looking cake, fabulous goodies to be won!
Just search 'The Great Birthday Cake Sale.'

For more information or to let us know what you are doing, please contact the charity team
